

## Special Financing for Policrom 3D Dye Sublimation Ovens

**Lease an oven for as little as \$128.99\* per month and Policrom will pay the first month's payment.**

This is a limited time opportunity to acquire the best 3D Dye sublimation system on the market. Policrom, in business since 1949, is the market leader in 3D Dye Sublimation. We have the experience to guide you into 3D or provide a smooth transition from 2D to 3D Dye Sublimation Decoration.

We offer a full line of 3D Dye sublimation films including Clear, Gold and Fine, and can provide the installation, training and color profiling support you need to succeed!

Effective until December 1, 2012 Policrom will offer, in conjunction with UNIVEST Capital Inc., a special leasing plan.

### PoliSub IR 1000 Series 3D Sublimation Press

#### Entry-level Production

PoliSub IR 1000 includes a 19" x 16" x 2.4" depth tray. This economical entry level oven press provides IR heat and an automated and integrated work flow. Set PoliJet 3D film in the chase, put the target product in the nest and PoliSub does the rest. Fully measured and controlled pre-heat, heating cycle and cooling cycle make 3D sublimation easy and profitable.
